INTRODUCTORY COMMENTS

Claims 27-29 were pending in the subject application prior to issuance of the Advisory Action on August 18, 2005. In the Advisory Action, claims 27 and 29 were rejected, and claim 28 was objected to as being dependent on a rejected claim. The Applicant has cancelled independent claim 27 without prejudice for possible submission in a continuing application, has rewritten claim 28 in independent form, and has amended dependent claim 29 to depend from rewritten independent claim 28. In view of the following amendments and remarks, the Applicant respectfully requests entry of this amendment and further consideration and allowance of pending claim 28 and 29.
